COLLEGE CAMPUS

Khalsa College claims pre-eminence not only for its glorious past, but also because of its visionary outlook towards the future. It finds inspiration in the lofty ideals of the Great Gurus who have always advocated a progressive attitude of mind, giving up all that is dogmatic, according due value to intelligence and logic. The college is visualized as a place of learning that would strive towards higher degree of excellence in development of the mind and spirit. Khalsa College prides itself in associating with and nurturing highly intelligent, inspired and hardworking personalities. Progress is our watchword and academic achievement our measure of success. The eminence of its teaching faculty and fascination of its well-stocked library, high-tech laboratories, extensive playing-fields and recently renovated hostels are its main attractions. A sense of grandeur and beauty pervades the campus. The college has been conferred with the status of Autonomous in August 2013, "College with Potential for Excellence" and 'Star Status' in recent times.

Khalsa College is a composite institution with six wings consisting of the faculties of Agriculture, Commerce & Business Administration, Computer Science, Humanities and Social Sciences, Natural Science and Physiotherapy.

Estd. 1892

Spacious in dimension, the main college building is a masterpiece of architecture—a blend of Mughal, Rajput and Sikh Styles. The college campus covers an area of over 330 acres and provides latest amenities of Higher Education. It is flanked by Chemistry, Computer and Physics blocks on western side and Library, Sikh History, Postgraduate, Biotechnology and Canteen blocks in the eastern side. Sikh History & Research Department, that came into being in 1930 contains a reference library and a gallery of thousands of manuscripts, rare books, portraits and paintings of great historical significance and value.

The College is partly residential with five hostels namely Nabha, Faridkot, Hargobind, Jind & New Jind (for boys) and five hostels for girls providing accommodation to 1250 students. The campus also has within its premises a Gurudwara, Gymnasium, Nursery, Fruit Farm, Cricket Stadium, sprawling Playgrounds (Including Athletic Track, Basket Ball, Volley Ball, Football, Hockey and Cricket Grounds) Swimming Pool, Fully Computerised Library, Career Guidance Cell, Placement Cell and Student Activity Centre. Infra structural development in the college is a regular feature. New Buildings of Administration Block, Agriculture, Commerce, Economics, Fashion Designing and Fine Arts Departments, Girls Hostel, Student Cafeteria have been constructed. Newly constructed washrooms for girl students and provision for R.O. filter drinking water in the college and hostels are other highlights.

Divinity

The devout religious minded founders of the College attached highest importance to the study of religion and the cultivation of moral values among the youth. The College imparts regular religious guidelines, but there is no compulsion of any kind for non-sikh students. Prayers are held in the College Gurudwara in the morning and evening and resident members and students are motivated to attend the prayers. The Sikh students are also expected to partake 'Amrit' and participate in the celebrations of the Gurburabs and other religious functions.

The new session always begins with 'Ardaas Divas' to seek blessings of the Almighty. Examinations in Divinity are held periodically and scholarships and prizes are awarded to the best students. It is mandatory for Sikh students to wear turban. They are restrained from wearing patkas and caps in the College Campus. 'Nagar Kirtan' on the eve of Guru Nanak's birthday is a salient feature of the College since 1915. All the students and staff members participate enthusiastically. 'Dastaar Competition' is held in the last week of August every year to motivate the Sikh students. With the initiative of the management, the College celebrates 'Avtar Purabs' of all the Ten Gurus. All faculty members and students participate in these celebrations.

 *All the Meetings, Conference, Workshops of the Management & College commence with the recitation of Mool Mantra*
