

Alumni Contributions and Engagements

Khalsa College Amritsar has always looked forward to a significant and important relationship with its alumni. College has a registered alumni association. The main objective of the Association is to communicate with alumni and strengthen their bond with the college and update the relevant information.

The alumni are invited for various College events and programs organized from time to time and the alumni meet, conducted every year. Interactive meetings with the alumni are also organized by the departments, where alumni interact with students to make them aware about the career options and future choices pertaining to academic pursuit or vocational engagement. As a result of continuous efforts, our Alumni has provided scholarships for needy students amounting to Rs.1.6 crores during the last five years. Students for awarding scholarship are identified through a rigorous process, involving teacher's in-charge of all the departments of the College, on need-cum-merit basis.

Khalsa Global Reach Skill development Centre of Khalsa College Amritsar constructed with financial aid of Rs. 5.62 crores provided by one of the alumni Dr. Bakhsish Singh Sandhu who is heading Khalsa Global Reach Foundation, provides skill development training to the students. Students of any stream with minimum qualification 12th or equivalent and all college students are eligible to join these courses. The students enrolled under any course are given both theory and practical training necessary for that course. After completion of the course, the students get a certificate. The centre is at present running short term certificate courses. The SDC is in the process of starting more courses under skill development scheme of Government of India. So far more than 2000 students have been trained from this center.

The Centre for Competitive Examinations housed in SDC Centre provides coaching for competitive examinations such as IAS, PCS, Bank PO, NDA, CDS, SSB, SSC and other competitive examinations

The postgraduate meritorious alumni are nominated as member of Academic Council, Boards of Studies and IQAC of the college. Their feedback and suggestions serve as an objective tool to introduce need based changes in the syllabi and help in further strengthening of the academic environment.
