Activity Report

Seminar on Cyber Security

August 20, 2018

P.G. Department of Computer Science & Applications, Khalsa College, Amritsar organized seminar on 'Cyber Security'. Ms. Sugandh Khanna Centre Head, CACMS Institute was the guest speaker. Principal Dr. Mehal Singh welcomed the guest speaker. Ms. Sugandh Khanna spoke about cyber security and discussed the importance of security of data. She also talked about vulnerability of data. She gave an insight into how hackers gain access to private data and what measures can be taken to prevent hacking. Students of different classes attended the seminar. Principal Sir encouraged the students and appreciated the faculty members of the department for conducting the seminar.

Report: Turkish Artist Meet

P.G. Department of Fine Arts Organized a one day 'Turkish Artist Meet' on Jan. 29, 2019. Turkish artist professor Orhan Cebraioğlu, Assoc. Prof. Ozgur Aksoy, Feridun Ishiman, Olcay Kahraman, Ihriye Yucecl, Hulya Canbaz, Zekiye Tellioglu, Sultan Topuz, Sukram Alulu and Mr. Basudeb Biswas came to college. A total of 11 Turkish Artists came to this meet. The Turkish Artist Art Techniques gave our students an opportunity to learn the distinguishing characteristics of applied arts as well as the significance of depicting life activities by using Paintings work. Dr. Orhan Cebraioğlu Performed action painting which means to paint while dancing on music and lyrics. The demonstration was a great learning experience for our students. This meet was planned with an aim to develop and enhance skills towards Painting Techniques and texture. The students participated in the meet with full enthusiasm.

Activity Report

No. 7164/FST/B
Dated 11/2/19

Name of Activity	Workshop on "Basics of Manufacturing Excellence in cookies production"
Date	09-02-2019
Resource Person	Er. Desh Bandhu Gangwar
No. of participants	126

Department of Food Science and Technology has organized a workshop on "Basics of Manufacturing Excellence in cookies production" on 9/2/2019. Department has invited Er. Desh Bandhu Gangwar, Production Manager, D Aajeni Foods, Nigeria as a resource person for this workshop. Dr. Davinderpal Singh gave welcome speech on this occasion and Dr. Manbir Singh presented flower bouquet to honor the guest. Mr. Gangwar started the workshop with basic overview about the importance of planning, manufacturing and packaging of cookies. He explained that "Cookie is a baked dessert or snack that is generally sweet, small and flat. It is typically made from major ingredients – flour, sugar, egg and minor ingredients like oil, butter, nuts, chocolate chips etc". He explained the manufacturing process of cookies to the students and important points that should be kept in mind at the time of cookies preparation.

Students gained hands-on experience by preparing cookies under his professional guidance. He provided various tips to ensure good quality of end product. He also gave information to students about different types of cookies such as molded cookies, filled cookies, drop cookies, bar cookies, sandwich cookies, breakfast and low-fat cookies for health-conscious consumer. Updated the students about the famous Indian cookie brands like Cadbury, Britannia NutriChoice, Milano, Unibic and so on. To learn about cookies was a fun activity for students as they were very fond of the baked goods. They were very keen to know different types of cookies available in market. The workshop was culminated with vote of thanks by Dr. Gursharan Kaur

Activity: 5th National Conference on Current Advances in Physical Sciences (CAPS-2019)
Date: February 26, 2019
Resource Persons: Dr. Bir Bikram Singh (Guru Granth Sahib World University, Fatehgarh Sahib).
Dr. Manish Dev Sharma (Panjab University, Chandigarh).

Department of Physics has organized a National Conference Current Advances in Physical Sciences **CAPS-2019** on 26-02-19 in which Dr. Manish Dev Sharma, Panjab University Chandigarh, Dr. Bir Bikram Singh, Guru Granth Sahib World University Fatehgarh Sahib, Faculty and 83 Khalsa College students, students and Faculty from different colleges participated. In this conference, the resource persons made students aware about new dimensions of science and their area of expertise and discussed about correlation between Physics and Metaphysics.

It helped the audience to know about the Metaphysics and its connection with the physical world. The resource persons also interacted with the students and teachers to share their valuable knowledge and ideas.

DEPARTMENT OF ZOOLOGY

National Seminar on 'Biodiversity and Natural Resources (April 6, 2019)

ABOUT THE COLLEGE

Khalsa College Amritsar, the premier-most institute of higher learning, was established by the leaders of the Singh Sabha Movement in 1892. They were inspired by the lofty ideals of the great Gurus. They planned it to be a growing institution which would strive forever to achieve high degree of excellence of mind and body for the welfare of the youth. The architectural grandeur of its buildings and layout of its campus clearly demonstrate the will of the founders.

Post Graduate Department of Zoology

Zoology Department of Khalsa College Amritsar is a dynamic and ever-growing Department of Khalsa College Amritsar having 6 Major and Minor research projects sponsored by Department of Science and Technology (DST), Punjab State Council for Science and Technology (PSCST) and University Grant Commission (UGC) and over 140 publications (Books and Research Papers)

Dear Delegates,
Post Graduate Department of Zoology, Khalsa College Amritsar welcomes you to attend National Seminar on, 'BIODIVERSITY & NATURAL RESOURCES: CONCERNS AND CHALLENGES' on 6th April, 2019. We cordially invite all who are interested in sharing their knowledge regarding the theme of the seminar.
Looking forward to see you.

Regards,

Dr. Jasjit Kaur Randhawa (Convener)

About the seminar

Biodiversity is the variety within and between all species of animals, plants and micro-organisms, and the ecosystems within which they live and interact. It comprises all the millions of different species that live on our planet, as well as the genetic differences within them. It also refers to the multitude of different ecosystems in which species form unique communities, interacting with one another. The biodiversity we see today is a result of 3.5 billion years of evolution. Unfortunately, due to humanity's over-exploitation of natural resources, unsustainable development resulting in disturbances to the environment and degradation of natural ecosystems at an unprecedented rate; the mother earth is undergoing the crisis of sixth extinction. It is estimated that the current species extinction rate is between 1,000 and 10,000 times higher than it would naturally be. This is the biggest challenge for the scientists all over the world. The major concern of the society is related to conservation of biodiversity and development of persistent means and methods ensuring the maintenance of natural landscapes, with their array of ecosystems along with species, populations, genes, and their complex interactions in the future. The need of the hour is to deliberate upon such concerns and challenges at global level.

National Seminar on 'Biodiversity and Natural Resources (April 6, 2019)

Zoological Society organized a National seminar on 'Biodiversity and Natural Resources: Concerns and Challenges'. Dr. Swardeep Singh Hundal, Professor and Head, Department of Zoology, Punjab Agricultural University, Ludhiana and Dr. Rajnesh Kumar Sharma, Professor, Department of Zoology, Kurukshetra University were the keynote speakers on this occasion. Dr. Hundal stressed upon the need to educate students about the depleting underground water table and pollution of water bodies. He also suggested the ways to cope up with the prevalent situation. Dr. Sharma sensitized the students about the biodiversity loss due to human activities in the name of development. Principal Dr. Mehal Singh honored the keynote speakers in the valedictory session. Dr. Jasjit Kaur Randhawa presented the vote of thanks.
