

## Research Incentives

To promote research in the college, the management of college confer “Research Awards” on the faculty. The “BEST RESEARCHER AWARD” is given to a faculty who has made profound contributions to the research culture and output of the college in the form of Research grant. The “BEST TEACHER AWARD” is given to a faculty who has made distinct contributions to the teaching culture and research. Faculty members who make significant contribution to research and teaching are honoured at annual convocation and prize distribution function.

## Research Grant

The faculty is encouraged to apply for Research Grant by the college. The applicant must submit the application with the required supporting documents forwarded by the concerned Head of the department. The research grant is sanctioned after recommendations from the Research Committee. The concerned faculty is provided with the seed money for carrying out his/her project. The faculty member may involve post-graduate students in the execution of the project. The teacher is required to submit the status report to the Research committee after the completion of the project and also at the end of the financial year. The amount sanctioned is credited to the concerned faculty’s account either as a Lump sum amount or in instalments.
